PREVIOUS EXPERIENCE

PLW Education, Pasadena; June 2016 – Present

Private Tutor

Provided one-on-one educational assistance to secondary school students in the subjects of Math, Biology, and English. Currently teaching new students in AP Calculus and AP Computer Science A (Java).

Maple Grove Gluten Free Foods, Chino; February 2014 – August 2016

R&D Manager, Previously Product Development Specialist

An integral part of the team where I oversaw the development and production of over 30 new products resulting in a projected \$4 million revenue. I led audits, developed new formulations with my team, and created effective methods in generating ingredient statements, nutritional labels, and specifications using excel and forms.
